Annual Report

**TOWN OF
RUTLAND
VERMONT**

Year Ending December 31st 1970

IN MEMORIAM

1890

1970

Alva T. Howe

This issue is dedicated to the memory of Mr. Alva T. Howe, who served on the School Board for 18 years. Mr. Howe's efforts favorably affected the education of thousands of Rutland Town school children. His contributions on the Board were greatly respected. Widely known throughout the area, his loss will be felt by the entire community.

IN MEMORIAM

Walter J. Patch
Died Oct. 17, 1970

Carleton L. Champine
Died Nov. 28, 1970

Orin A. Thomas, Sr.
Died May 20, 1970

Pages 3 & 4 missing

**RUTLAND TOWN
ITEM FOR NEW ROADS
INCLUDED IN GENERAL BUDGET**

Following is a summary in reference to surfacing the New Roads accomplished in the year 1970.

Country Estates (several sections)	
Pinnacle Ridge (middle road)	
Maplewood Park (short section)	
Birch Knoll (entire road)	
Pine Crest (short section)	
Grandview Development (several sections)	
Elbern Avenue (accepted section)	
Ranbury Road	
Spencer Development	
Hitzel Development	
Funds available for the above work:	
Budget (1970)	\$15,000.00
Advances by Outside Parties	3,824.80
Total	\$18,824.80
Actual Expenditure	\$18,303.28
Balance Remaining	\$521.52

Following is a list of New Roads to be treated in 1971:

Blue Ridge Acres (Young)
Victoria Drive (St. Peter)
Karen Drive (Crossman)
Bellevue Lane (Houston)
Sugarwood Hill (Thomas)
Pinnacle Ridge (Creed Farm)
Briarwood (Wilson)
Grandview (Fucci & Gartner)

Estimated Cost (Asphalt and Preparation)	\$16,980.00
Less Amount Advanced by Lee Young	2,000.00
Estimated Total Cost	\$14,980.00

This amount is in the 1971 General Budget for New Roads—
\$15,000.00.

When the above treatment work is accomplished it means that all of the New Roads in Town will be surface treated and save high maintenance costs, and loss of gravel surface.

Board of Auditors

RUTLAND TOWN SCHOOL DISTRICT REPORT OF THE SCHOOL DIRECTORS

Since taking office in March, 1970, the majority of your School Directors have attended some 60 meetings. These have included regular Board meetings (held on the first Tuesday of each month), special board meetings, Supervisory Union meetings and meetings of the Citizens Study Committee, Building Committee and Union High School Study Committee. In addition to these, individual members have represented the Board at various other meetings.

The Board has operated successfully in this first year of having five members. The scope of matters to be considered and business to be enacted has demanded the time and attention of all Board members as in the past. Although the work load has not been lightened appreciably, the Board has benefited from the diversity of thinking of five rather than three people.

The responsibilities of the Board range from the practical business of keeping the schools running to the nebulous of forecasting future needs. The Board must see to it that the schools and grounds are kept in good repair, suitably equipped and in safe and sanitary condition; must interview and employ the necessary staff upon the recommendation of the Superintendent; must approve of and authorize payment for all expenses needed to keep the schools running and programs implemented.

Beyond this the Board is obliged to examine and evaluate new programs and future needs. Last year, realizing that we were facing an overcrowded condition at the school, we proposed the use of the Center Rutland School for the fourth and fifth grades. To prepare the school for occupancy, we complied with all orders issued by the Department of Public Safety. In addition some alterations were made, rooms painted, floors refinished—all to make the school safe, sanitary and attractive. The "Satellite School" has provided a stimulating program and the children in the Center Rutland School have also participated in all of the special programs offered at the Post Road School.

To alleviate the overcrowded conditions, immediate planning for an addition was commenced. A Building Committee was named composed of the Board, Supt. Zani, Miss Reilly, Mrs. Nancy Livak, Mr. David Dickinson, Mr. John Flory, Mr. Paul Cady and Mr. Donald LeFrancois. At a special Town Meeting held on April 20, 1970 the Board was authorized to employ an architect to prepare preliminary plans and cost estimates. Irving W. Hersey Associates, the designers of the present building, were employed to provide the preliminary plans. On August 4, 1970, the voters approved a bond issue of \$134,000.00 and also authorized the use of \$50,000.00 in the Dyer School Endowment Fund

to pay for the local share of estimated \$277,000.00 addition. The bids of the general contractors were opened on October 15th. John Russell Corp. of Rutland submitted the low bid and was awarded the contract. Construction was started on November 5, 1970 and all of the work that the general contractor had planned to do before the winter months was completed. Construction will be continued in the spring and a completion date of August 15, 1971 is anticipated.

Thus, we expect that all of our children will be under one roof again in September, 1971 and hopefully for some time to come. However if the present rate of growth in Rutland Town continues, future planning will be necessary. It is speculative whether the Post Road site would support another addition or if an elementary school in excess of 650 pupils would be desirable.

The Center Rutland School is in good condition after the work done to prepare it for use this year. While the Cheney Hill and Haiti Schools have not had extensive maintenance work in the past year, the heating and plumbing systems have been checked and necessary work done. The Cheney Hill School is presently being leased to the United Pentecostal Church. It is hoped that suitable tenants can be found for the Center Rutland and Haiti Schools so that it will be possible for the School District to realize some income from the properties.

Again, this year much attention has been focused on the high school situation, not only in Rutland Town but also in the surrounding communities. On April 20, 1970, the voters appropriated \$166.00 as Rutland Town's share to finance the study of the advisability of forming a union high school district with other area towns. The Planning Committee has worked diligently and was able to present the final report to the State Board of Education in January, 1971. The report was approved by the State Board thereby indicating that the State Board finds that the formation of the proposed union high school district is in the best interest of the state and the school districts involved. At the March Town Meeting, you will be asked whether a union high school district shall be formed with Rutland Town, Proctor, West Rutland, Chittenden, Wallingford, Ira, Tinmouth and Middletown Springs as members.

Since 1963 we have been studying and seeking solutions to high school problems. A proposed union high school comprised of Rutland City and the tuition towns did not materialize. Twice we have voted on a union with smaller towns—once affirmatively and once negatively.

Clearly, we must make a careful decision at this time. We have two possible courses of action. Rutland Town can elect to remain as a tuition sending town. In this case, the parent of a high school student can choose to send his child to any approved

high school in Vermont or in an adjoining state and the School District must pay the full tuition charged. If the parent chooses an approved private school, the Town must pay an amount not to exceed the average tuition of Vermont union high schools. The risk that some high schools in the area could, at sometime, close their doors to tuition students is inherent in this alternative. The second alternative lies in the formation of a union high school district with other area towns. This would provide a permanent home for our high school students, an equity in the school plant and a voice in financial and policy matters.

It is impossible, at this time, to predict which alternative would be most economical to the taxpayers. Please consider these alternatives carefully. It may be the last opportunity, for sometime to come, that we will have a choice in the direction in which we wish to go on secondary education. It should be pointed out that if Rutland Town votes to join the proposed union, the Town may withdraw, by vote, any time after twelve months and before the time of bonding.

If you have followed the legislation which has been enacted in the past few years, you will have noted that the town school districts are being directed, by law, to provide increased services and programs. The Board is obliged to enter into professional negotiations with the teachers' association on matters of salary and related economic conditions. It is now required that the question of kindergarten be placed before the voters annually in those towns that do not presently operate a kindergarten. School Directors have been advised to budget for the transportation of all pupils, although it is still left to the discretion of the Board as to how much transportation will be provided. Requirements for the school plant and environmental control have become more stringent. These, and many more, mean increased costs to the local taxpayers and in particular to those living in towns being phased out of the State Aid program.

The budget being presented for your approval is some \$44,000.00 over the 1970-71 budget. It has been carefully prepared—your School Directors are also taxpayers and are aware of the effect of increasing expenditures and decreasing State Aid revenues on their tax bills. In some areas of the budget it was possible to hold the line; in a few areas budget decreases were possible. Increases in the budget were necessary in these categories. Personnel: the cost of one additional teacher and increases in salary and fringe benefits for the present staff. Capital outlay: the initial payment on the bond and interest for the new addition. Operating costs for a larger plant and instructional costs for a larger school population. Budget increases have been kept at a minimum. We trust the budget will be approved as presented.

Although, this has been a productive and rewarding year, it was saddened by the loss of our long time colleague and good friend, Mr. Alva T. Howe. Mr. Howe's contribution to the progress of education in Rutland Town will long be remembered. He will be missed, not only by those in Rutland Town but by board members and educators throughout the county.

In closing, we would like to thank Superintendent Zani, Miss Reilly, all of the school personnel and the citizens of the town who have given such gratifying support to the educational program during the past year.

Respectfully submitted,

BOARD OF SCHOOL DIRECTORS

WILLIAM B. THOMAS

VERONICA GUIMOND

ROXIE HATHAWAY

LEONARD JOHNSON

RUTLAND TOWN REPORT OF THE SUPERINTENDENT OF SCHOOLS

I herewith submit my annual report as Superintendent of Schools to the taxpayers of Rutland Town.

Once again the taxpayers of Rutland Town have proven their farsightedness in realizing the importance of good education for their youngsters, by voting for a nine room addition to the present Rutland Town Elementary School. Barring unforeseen circumstance, the doors will open in September 1971 to house the pupils of grades four and five.

On Town Meeting Day, you, the taxpayers will be called upon to vote on joining a high school district with Chittenden, Ira, Middletown Springs, Proctor, Tinmouth, Wallingford and Vest Rutland. If the union becomes a body politic, the actual opening of the school doors will not occur until 1975, at least. The present pupils of grades four and five will be the first to have a four year cycle of classes in the new structure.

You parents and grandparents—taxpayers all—in the past five decades have given the younger generation a much healthier approach to life, so that our children are the tallest, brightest and probably the best looking generation to inhabit the land. And because the great depression made us lean toward materialism, the present and future generations will work fewer hours, have more leisure time, travel to more distant places, learn more and, hopefully, have a chance to follow their lives' ambitions. We built better schools and at the same time made higher education a very real possibility for our youngsters—where once it was only the dream of a wealthy few. We also have the dubious distinction of paying the highest taxes ever, although the next generation will probably exceed our record in this area.

Because of what we have done and still want to do, a union school is feasible at this time. There is definite strength in numbers and consolidation of services, that is, the elimination of duplicate services in the areas of administration, maintenance, purchasing, guidance, athletics, etc. This is obvious in the many mergers in private enterprise today.

Presently the tuition cost per pupil to Rutland City and Proctor is \$1,100.00 and \$1,195.00 respectively. Yet, nearby Otter Valley Union High School only has a \$1,000.00 tuition rate. Both tuitioning towns have space problems, one to a lesser degree than the other. Not only are you taxpayers paying fairly high tuition rates with no **voice** in the educational procedures of your children, but, there is also a chance that the Rutland Town High School young adults could be put on **notice**. This would mean that after a certain date no pupils would be allowed to continue

their education at either of the two educational institutions.

It cannot be said at this time that your tax rate will be lowered if a union school is built but you will have representation on the board of school directors. Needless to say, this is very important today, during the era of accountability.

The vote for a union school will not be binding for approximately 18 to 20 months. Any time after 12 months and before the time of bonding a school plant, Rutland Town may withdraw, if the voters so dictate.

When you go to the polls on March 2, 1971, let your conscience and your pocketbook be your guide. You may choose to spend more and receive less because of the ever-spiralling per pupil cost in educating our youth under adverse conditions or you may want to hold your tax burden within reason through duly elected representation and perpetuate a good educational program for all Rutland Town children.

In closing this report, I wish to express my appreciation to the Rutland Town School Board of Directors, the administration, the teachers and custodial staff, the town officials and the citizens for their cooperation during the past year.

Respectfully submitted,

RICHARD F. ZANI

ANDREW W. GIBBS

Town Treasurer

1970 REPORT OF CHENEY HILL CEMETERY COMMISSIONERS

At the Annual Meeting of the Commissioners, Sherwin Williams was elected President, Byron Hathaway as Vice President and George Livak, Secretary.

This year the cemetery has put on a new look. The front was replaced with a chain strung across. The rear and sides of the cemetery were extended with a circular drive being made for more convenience.

There were four burials this year; also a sale of 31 graves. With increasing demands for lots, thought was given on securing more land and whether the cemetery should be restricted to Town citizens only. A meeting will be held with the Selectmen to plan on the future of the cemetery.

Respectfully submitted,

SHERWIN WILLIAMS

BYRON HATHAWAY

GEORGE LIVAK

Cemetery Commissioners

1970 FIRE WARDEN'S REPORT

Number of Permits Issued — 135

* * * * *

Law Pertaining to Brush Fires

"Fires kindled for the purpose of burning brush or for other lawful purpose shall be kindled only at such times and under such conditions as will enable the parties starting them to keep them entirely under control. Except as provided in this section, a person shall not kindle or authorize another to kindle a fire in the open air for the purpose of burning brush, weeds, grass or rubbish of any kind except where there is snow on the site, without first obtaining permission from the Fire Warden or Deputy Warden of the Town, or the State Forester, or his Deputy, stating when and where such fire may be kindled. Wherever such permission is granted, such Warden, or State Forester or his Deputy within twelve hours, shall issue a written permit for record purposes stating when and where such fire may be kindled. Such permission shall not be required for the kindling of a fire in a location which is 200 feet or more from any woodland, timberland or field containing dry grass or other inflammable plant material contiguous to woodland."

Respectfully submitted,

GEORGE LIVAK

Fire Warden

VERMONT STATE DEPARTMENT OF HEALTH ANNUAL TOWN REPORT FOR THE YEAR 1969-1970

This is a report to the residents of your town describing the health services which have been rendered during the state fiscal year July 1, 1969 through June 30, 1970. These services are carefully planned so that maximum benefit may be gained from each tax dollar. For instance, one clinic may serve many towns if the number of patients is small. On the other hand, when a service is needed in a town or city, we make every effort to provide it.

I invite you to discuss this report with your friends and health officer and I would welcome any impressions which you care to forward to me.

The following is a list of some of the health services to the residents of Rutland Town.

Number of Well-Child and School Medical Conferences, and Immunization Clinics held in this town	3
Attendance of town residents at above conference/clinics in this or nearby towns	180
Number of children given pediatric consultation or hospital diagnostic service	—
Number of children served at the child development clinic	—
Number of children aided at handicapped children's clinic for speech, hearing, orthopedic, plastic, neurological or cardiac problem	5
Attendance at dental health and brushing classes, and dental inspections	331
People X-rayed for tuberculosis detection	15
People X-rayed for occupational diseases	5
People served at tumor clinics	—
Attendance at diabetes clinics or physician office screening for diabetes	6
Attendance at glaucoma screening clinics	1
Attendance at amblyopia screening clinics (3-5 yr. olds)	—
Diphtheria, Tetanus, Whooping cough immunizations	25
Polio Immunizations	56

Smallpox Immunizations	68
Red Measles (rubeola) Immunizations	14
Rubella (German measles) Immunizations	—
Number of water samples (private & public supplies)	5
Blood specimens tested (pre-marital, pre-natal, & other)	5
Other laboratory specimens	3
Nutrition and dietary consultations, demonstrations, services	1
Inspections and consultations to hospitals, nursing homes, homes for the aged, and home health agencies	7
Sanitary inspections & consultations to licensed food & lodging establishments and to other public & private facilities	16
Public Health Nurse visits to individuals	79
Number served by above visits	46
Other consultations, program and group service activities of Public Health Nurses	106

Respectfully submitted,

R. B. AIKEN, M.D., M.P.H.

Commissioner of Health

REPORT ON REGIONAL PLANNING

The Rutland Regional Planning Commission was created by the voters in March of 1967 and is now composed of some 21 communities within the County. Among the reasons Rutland Region citizens saw for its creation were: to assist members in utilizing the Region's advantages and to encourage cooperation among themselves where it can be proven beneficial; to formulate a united voice in dealing with State or Federal governments; to have available, technical advice on planning related matters; to remain eligible for certain grants; and to prepare studies and advisory plans for the orderly growth of the Region.

Voting representation on the RRPC consists of one Regular and one Alternate Commissioner from each member community regardless of physical size, wealth or population. The Town of Rutland is represented by Eugene Keenan as Regular Commissioner and Kenneth Thompson as Alternate. Meetings are open to the public.

In July of 1968, the RRPC began a two-year comprehensive planning program resulting in maps, surveys, reports, aerial photography, model land use regulations, etc., for its members. As an agency composed of many communities, it has sponsored meetings on problems common to all such as education, water and sewerage, solid waste disposal, taxation, budgeting, etc. Technical assistance has been provided in many areas of concern.

Since last year's "Report" a State Environmental Board and District Environmental Commission have been appointed to process applications for development. Although providing protection and assistance, the Environmental Commission's powers emphasize the desirability of locally prepared controls that can be adopted by individual communities with the aid of the RRPC.

The RRPC has been declared as the Clearinghouse for approximately 50 Federal grant programs and communities who are members receive the necessary review and recommendations from the staff and Commission. Twelve have been reviewed. Testimony has also been given at District Environmental hearings and law enforcement grants have been processed. Responsibilities on behalf of the members are increasing significantly as this indicates.

Town plans and maps have been prepared as has a Regional Plan and text. These have been and will continue to be valuable as guides for communities wishing to adopt their own plans and land use regulations. Information from the 1970 Census indicates significant growth in the Region which suggests a need for local action to control change in the best interests of residents.

Assessments for RRPC membership are nominal compared to potential benefits (0.4 cents on the equalized grand list). The Commission appreciates the active interest and support of its members in the past and looks forward to serving them in the future. We invite you to visit your office at 12 Wales Street.

Sincerely, ROGER G. BROWN, Chairman RRPC
RUSSELL L. MORGAN, Executive Director

RUTLAND TOWN PLANNING COMMISSION 1970 ANNUAL REPORT

As prescribed by 24 V.S.A., Section 4326, this annual report is submitted for public record.

The Rutland Town Planning Commission was appointed by the Board of Selectmen with the power and duties prescribed in Section 4325 of the act.

The purpose of the Commission is to encourage the appropriate development of all land in the Town by the action of its residents with the aid and assistance of the Regional Planning Commission and the State of Vermont in a manner which will promote the public health, safety, economy and general welfare; and to provide means and methods for the town to plan for the elimination of such land development problems as may presently exist or which may be foreseen and to implement those plans when and where appropriate.

Planning Commission meetings are scheduled bimonthly on the first and third Tuesday. To date activities have been confined to the preparation of a land use plan and the adoption of an official transportation map.

Subdivision Regulations and Health Regulation Standards for Individual Homes have been prepared and submitted to the Selectmen for their consideration.

The Selectmen and the Planning Commission are well aware of the many valuable resources in the Town. This concern for the planned maintenance and development of these resources prompted them to request assistance of the Otter Creek Natural Resources Conservation District.

A Natural Resource Technical Team assigned by the District has worked with the Selectmen, Planning Commission and local citizens to compile a natural resource inventory. This inventory has been completed and will provide a basis for planning decisions in regard to future development.

Planning and implementation of objectives should be the function of all of Rutland Town residents. Your assistance is needed and will be welcomed by the Commission.

E. E. KEENAN

W. BRADDER

B. HATHAWAY

RUTLAND TOWN WARNING

The legal voters of the Town of Rutland are hereby warned to meet at Rutland Town Elementary School on Post Road, on Monday evening, March 1, 1971 at 7:30 P.M. to act on Articles 2, 3, 12, and 13.

On Tuesday, March 2, 1971 at Ten O'Clock A.M. at Town Hall in Center Rutland to act on Articles 1, 4, 5, 6, 7, 8, 9, 10, and 11. The Polls will close at 7:00 P.M.

1. Choose all necessary officers required by law.
2. Shall the Town vote to raise money by tax or otherwise to pay current expenses of the Town, Highway and County? If by tax, how much?
3. When and to whom shall the taxes be due and payable?
4. Shall the Town vote to take advantage of the Town Highway appropriation granted to the towns by the State, provided the Town spends not less than (\$50.00) Fifty Dollars per mile of their own money on Town roads outside of Winter Maintenance as provided by Sec. 19 No. 250 Public Acts of 1957, as amended?
5. Shall the voters authorize the Selectmen to borrow money in anticipation of taxes?
6. Shall the Town vote to approve an appropriation of (\$2,500.00) Twenty-Five Hundred Dollars to secure the use of the Rutland Free Library to the inhabitants of the Town?
7. Shall the voters of Rutland Town appropriate (\$1,000.00) One Thousand Dollars to supplement the cost of operating the Rutland Town baseball program, by the Center Rutland Athletic Club, Inc., for the children of Rutland Town? The understanding is that this program shall be operated with baseball facilities at both ends of the town.
8. Shall the Town of Rutland vote to cooperate and join with other Rutland Region communities to continue the Rutland Regional Planning Commission as authorized by law (24 V.S.A. Section 4341) and authorize the legislative body to appoint a regular and alternate commissioner from the town and vote the sum of (\$1,149.00) One Thousand One Hundred Forty-Nine Dollars as its share of the expenses of the Commission?
9. Shall the Town of Rutland appropriate an amount not to exceed (\$1,150.00) One Thousand One Hundred Fifty Dollars in support of the Rutland Mental Health Service? (This item to be Rutland Town's contribution to Rutland Mental Health in support of its services to Rutland Town families who represent 1.8% of the Rutland County families served by this Agency.)

10. Shall the Town of Rutland appropriate an amount not to exceed (\$1,500.00) One Thousand Five Hundred Dollars in support of Rutland Visiting Nurse Association?

11. Shall the action of the Board of Selectmen through its duly appointed agent in conveying the premises deeded to the Town by Mildred Hoague, Widow, which deed is dated March 15, 1965 and recorded in the Land Records of the said Town of Rutland in Book 16, at page 52, situated on street known as Parkway to Lucius A. Pidgeon and Dora Pidgeon by Quit Claim Deed dated October 29, 1970 and recorded on the 30th day of October 1970 in Book 19, page 394, be ratified and confirmed in order to clear the title to the Grantees to said land and premises?

12. Shall the Town vote its officers salaries? If so, how much?

13. To transact any other necessary, legal and proper business which may come before said meeting.

Rutland, Vermont, January 30, 1971

Grand List \$130,874.02.

WARNING
RUTLAND TOWN
SCHOOL DISTRICT
SPECIAL MEETING
MARCH 2, 1971

The legal voters of the Rutland Town school district are hereby notified and warned to meet at Rutland Town Hall in the Town of Rutland on the second day of March, 1971, to vote by Australian ballot between the hours of 10:00 o'clock in the Forenoon, at which time the polls will open, and 7:00 o'clock in the Afternoon, at which time the polls will close, upon the following Articles of business:

Article I

Shall the town school district join in the formation of a union high school district pursuant to 16 VSA chapter 11 upon following conditions and agreements:

(a) **Necessary Members.** The town school districts of Wallingford and West Rutland are found by the State Board of Education to be necessary to the establishment of such union high school district.

(b) **Advisable Members.** The town school districts of Chittenden, Ira, Middletown Springs, Tinmouth, Proctor and Rutland Town are found by the State Board of Education to be advisable to the establishment of such union high school district.

(c) **Class of school.** The class of school to be operated by the union high school district shall be in grades 9 through 12.

(d) **Board of School Directors.** Each member district shall be entitled to elect one member of the board of school directors of the union high school district for each 100 students or major fraction thereof residing in a member district and enrolled in grades 9 through 12 of any public school on October 15 of the preceding school year. However each district shall be entitled to at least one member.

(e) **Apportionment of expense.** The expense of building, operating and maintaining the union high school, including transportation of its students from the member districts, shall be divided among the several member districts in the same proportion which the student enrollment from each member district, as above defined, bears to the total student enrollment from all member districts.

(f) **Assumption of debts and ownership of school property.** The union high school district shall not assume any existing indebtedness of any member town school district. Existing school buildings in any member district shall not be acquired by the union high school district.

(g) **Final report.** The provisions of the final report approved by the State Board of Education on January 19, 1971, which is on file in the town clerk's offices in Wallingford, West Rutland, Chittenden, Ira, Middletown Springs, Proctor, Rutland Town and Tinmouth, shall govern the union high school district.

(h) **Bond issue.** The union high school district shall call no meeting to vote upon a bond issue for improvements, before the expiration of eighteen months from the date of the organization meeting.

Article II

To elect from persons who may be nominated pursuant to law, one school director(s) to serve on the board of school directors of the proposed union high school district from the date of the union high school. The term of one such director shall expire on July 1, 1974.

The Rutland Herald, a newspaper published in Rutland, Vermont, and of general circulation in this town is hereby designated as the newspaper for publication of warnings for special town and town school district meetings.

Dated this 28th day of January, 1971.
